

OSHA 10 TRAINING

This Occupational Safety and Health Administration (OSHA) 10 hour - General Industry training program will be led by an authorized OSHA Outreach trainer. The training is intended to provide entry level general industry workers information about their rights, employer responsibilities, and how to file a complaint as well as how to identify, abate, avoid and prevent job related hazards on a job site. The training covers a variety of general industry safety and health hazards which a worker may encounter. Training will emphasize hazard identification, avoidance, control and prevention.

Training is FREE for all South Carolina residents.
Cost for non-SC residents is \$300 per person.
