Since our founding in 1922, Security Federal has differentiated itself by making customer service its prime goal. By customer service, we do not mean the lip service and slogans that are commonly used. Security Federal Bank strives to offer genuine and meaningful products and services tailored for your every need. This includes looney tunes for young students' learning financial literacy, free financial counseling to those who need help with their budgeting and payments, financial planning for those who wish to invest for the future and much more.
