DISCLAIMER

PURSUANT TO SECTION 41-1-110 OF THE CODE OF LAWS OF SC, AS AMENDED, THE LANGUAGE USED IN THIS DOCUMENT DOES NOT CREATE AN EMPLOYMENT CONTRACT BETWEEN THE EMPLOYEE AND THE AGENCY.

Aiken Technical College provides mechanisms for College employees and students to offer input to improve College policies, operations, services and educational programs.

The internal governance system provides a structure of standing and ad hoc committees and organizations through which recommendations flow to the College's administrative structure for consideration and action, with the overall goal being improvement of the College's programs, services, and operations affecting the working, teaching, and learning environments.

The internal governance structure does not replace the authority, responsibility, or accountability of the College Commission, President, or administrators, but does provide a systematic mechanism through which input from the College community can be received and responded to in a constructive manner leading to the continual improvement of the College as a whole. The governance system will not be used to address individual college employee or student concerns or issues.
