It is the policy of Aiken Technical College to require students enrolled in regular curriculum courses to maintain a 2.0 Grade Point Average (GPA) in order to remain in good academic standing. Procedure 4-5-101.1 describes the procedure under which students in good academic standing may continue their enrollment at the College.

A GPA of 2.00 is required to graduate from any degree, diploma, or certificate program.

- A. Career Development: A student enrolled in Career Development (CD) status is required to comply with the same standards of progress as described above.
- B. Transitional Education Courses: Aiken Technical College students enrolled in transitional education courses are required to make satisfactory progress in each discipline in which they are enrolled. This requires a student to earn a grade of A, B, or C. Grades in transitional education courses are not computed in a student's GPA.
- C. Grades of E, I, W, SC, NC, U, AU, and TR are not used in calculating a student's GPA. These grades are described and defined in the ATC Catalog.
