Program Description:

The Associate of Applied Science in Nursing (ADN) program prepares students to take the examination for licensure as a registered nurse (NCLEX-RN). This two-year course of study includes nursing theory as well as supervised clinical experience at affiliated health care agencies. The Associate in Applied Science in Nursing program is accredited by the **Accreditation Commission for Excellence in Nursing** (3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326, Phone 404-975-5000, Fax 404-975-5020, www.acenursing.org).

General Information:

- Applicants must have completed all prerequisite courses: ENG 101, MAT 120, BIO 210, BIO 211, BIO 225, and PSY 201, with a grade of "C" or better. Only the first or second attempted grades of the prerequisite courses taken within the last 10 years will be considered. The grade of a "W" or "WF" will count as an attempt. Please refer to the program display.
- Applicants to the program must have a cumulative GPA of 3.0 **(considering all academic course work, including prerequisites, within the last 10 years).** Cumulative GPA will be calculated by ATC personnel upon receipt of application in accordance with the Nursing Division guidelines for GPA calculation.
- Applicants may not have achieved less than a "C" grade (D, F, W, or WF) in any two previously taken nursing courses within the last 5 years at any school (LPN or RN).
- Applicants must take the TEAS exam prior to application to the program. This standardized pre-nursing aptitude test is offered at the ATC Testing Center (803-508-7488). Please contact the ATC Testing Center for cost. The TEAS exam may be taken twice per academic year with a minimum of 30 days between attempts. The testing date must be within 3 years of the application deadline.
- Credit is awarded for eligible Advanced Placement (AP) coursework, provided valid proof of successfully passing the related AP exam. Credit is also awarded for non-ATC exemption exams such as CLEP or DANTES. **No admissions points are awarded for high school AP credit or for successful completion of a CLEP or DANTES examination.**
- Applicants whose first language is not English must submit official TOEFL scores. A minimum score of 78 on the computer-based exam is required to be eligible to apply to the nursing program. English as a Second Language (ESL) courses are strongly recommended.

Information for Fall 2023 and Spring 2024

- A criminal background check is required prior to clinical rotations and repeated annually. Depending on the result of the background check, a student may not be able to participate in clinicals and may be withdrawn from the program.
- Once admitted, students are required to have **reliable transportation** for clinical rotations. Clinical sites are assigned and are determined by availability at medical facilities.
- Once admitted to the program, students must ensure that all necessary official transcripts have been received by the College and submit documentation of the following: a physical exam, TB skin test or chest x-ray for previously positive TB skin tests, current immunizations, current Healthcare Provider CPR certification, and annual drug screening.
- Applicants must be physically able to meet the requirements of all clinical areas.
- Attach all college transcripts to application.
- After the application date has passed, all applications meeting the minimum requirement are reviewed by the Nursing Admissions Committee. Spaces are allotted to those most qualified as determined by the point system on this application.
- Candidates earning equal points are ranked based on their cumulative GPA.
- Clinical rotations are required in Health Sciences and Nursing programs. Clinical sites may request students to follow protocols beyond what is required by Aiken Technical College, including COVID-19 vaccination.
