Associate Degree in Nursing Application

Aiken Technical College

Associate Degree in Nursing Program

Application Information for Fall 2021 and Spring 2022

Associate in Applied Science: Major in Nursing

The Associate of Applied Science in Nursing (ADN) program prepares students to take the examination for licensure as a registered nurse (NCLEX-RN). This two-year course of study includes nursing theory as well as supervised clinical experience at affiliated health care agencies. The Associate in Applied Science in Nursing program is accredited by the **Accreditation Commission for Excellence in Nursing** (3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326, Phone 404-975-5000, Fax 404-975-5020, www.acenursing.org).

Application Process:

<i>Application Deadline</i>	<i>Semester to Start Program</i>
May 28, 2021 by 1:00 p.m.	Fall 2021 (August)
September 24, 2021 by 1:00 p.m.	Spring 2022 (January)

- Attach all college transcripts to application.
- After the application date has passed, all applications meeting the minimum requirement are reviewed by the Nursing Admissions Committee. Spaces are allotted to those most qualified as determined by the point system on this application.
- Candidates earning equal points are ranked based on their cumulative GPA.

General Requirements (all required documents must be attached for consideration):

- Applicants must have completed BIO 210, ENG 101, MAT 120, and PSY 201 with a grade of “C” or better. Only the 1st or 2nd attempted grades of the prerequisite courses taken within the last 10 years will be considered. The grade of a “W” or “WF” will count as an attempt. Please refer to the program display.
- Applicants to the program must have a cumulative GPA of 3.0 (**considering all academic course work, including prerequisites, within the last 10 years**). Cumulative GPA will be calculated by ATC personnel upon receipt of application in accordance with the Health Sciences Division guidelines for GPA calculation.
- Applicants may not have achieved less than a “C” grade (D, F, W, or WF) in any two previously taken nursing courses within the last 5 years at any school (LPN or RN).
- Applicants must take the TEAS exam prior to application to the program. This standardized pre-nursing aptitude test is offered at the ATC Testing Center (803-508-7488) for a fee. Please contact the ATC Testing Center for cost. The TEAS exam may be taken twice per academic year with a minimum of 30 days between attempts. The testing date must be within 3 years of the application deadline.
- Credit is awarded for eligible Advanced Placement (AP) coursework, provided valid proof of successfully passing the related AP exam. Credit is also awarded for non-ATC exemption exams such as CLEP or DANTES. **No admissions points are awarded for high school AP credit or for successful completion of a CLEP or DANTES examination.**
- Applicants whose first language is not English must submit official TOEFL scores. A minimum score of 78 on the computer-based exam is required to be eligible to apply to the nursing program. English as a Second Language (ESL) courses are strongly recommended.
- A criminal background check is required prior to clinical rotations and repeated annually. Depending on the result of the background check, a student may not be able to participate in clinicals and may be withdrawn from the program.
- Once admitted to the program, students must ensure that all necessary official transcripts have been received by the College and submit documentation of the following: a physical exam, TB skin test or chest x-ray for previously positive TB skin tests, current immunizations, current Healthcare Provider CPR certification, and annual drug screening.
- Applicants must be physically able to meet the requirements of all clinical areas.
- **Beginning Fall 2022, the following courses will be required to submit an application: BIO 225 & BIO 211.**
