Course Evaluations 003: Aggregate Report on Course Evaluation Results for Faculty

1. Select the Term(s) that contains the course evaluation you wish to include in your report.
2. Select the Course Evaluation Title.
3. Select Course(s) that have completed the course evaluation.
4. Click Generate.

Note(s):

- **This report will only display results for the user generating the report. For example, I will only be able to see course evaluation results for courses I have taught and that have been sent a course evaluation.**
- **Comparison means may also be available; however, you may need to first make these values visible. Check out [Managing Course Evaluation Reports \(003 & 005\)](#) for more information.**
- **In the example shown, we have chosen to display criteria together for Likert Scale and Rubric question types.**
